

Schedule C: DSE Register of Public Roads

Date of Publication: February 2008

Under Section 19 of the Road Management Act 2004 a road authority must keep a register of public roads specifying the roads in respect of which it is the coordinating road authority. The following document identifies those roads for which the Secretary to the Department of Sustainability and Environment is the coordinating road authority.

* Maintenance requirements referred to in Appendix A1-A7 Road Management Plan
