Dear Jane

DRAFT VICTORIAN RIVER HEALTH STRATEGY

The Authority has pleasure in providing the following comments on the Draft Victorian River Health Strategy.

Comments from CMA Board Members and Catchment Management Group Members are set out in Attachment 1. Comments from staff are set out in Attachment 2.

The Authority commends the Department for the Draft Strategy. Its development and articulation of the key principles and vision for river health in Victoria provide a farsighted and effective framework for the future management of river health in Victoria.

I trust the Authority's comments are useful. If you require any clarification or further information in regard to the comments, please contact Mr Rex Candy, Waterway & Floodplain Manager at the Authority's office on (03) 5153 0462.

Yours sincerely

Chris Barry
