High Stake - Low Resources

Often marginalised: often require special efforts to engage for sustainable results.

High Stake - High Resources

Have the capacity to implement outputs themselves, keep engaged at a high level. This group do not always see the need to engage with others,

Low Stake - Low Resources

Not immediately involved, keep track of changing

Low Stake - High Resources

Can redirect their resources elsewhere if lobbied by others. Often don't want to be involved at a high level, but need to be kept informed of what is happening.
