Tender Release - Spatial Imagery and Elevation Products Panel – State Purchase Contract

A panel of providers for Spatial Imagery and Elevation Products for Victorian Government Departments, Agencies and Purchase Partners is being established for the period 2008-2010. The Panel Members will provide services such as the provision of orthophotography, elevation data and related value adding services.

The Program Team via Spatial Information Infrastructure (SII) an agency of DSE, will coordinate the establishment and administration of the Panel on behalf of Purchase Partners. The Request for Tender (RFT) will facilitate the continuation of the coordinated program of acquisition of spatial imagery and elevation products which began in 2003.

The Tender will be released and advertised in the Herald Sun on 6 February. Tenders will close on 6 March 2008. Detailed information and tender response documents are to be provided on the Victorian Government Tender website located at www.tenders.vic.gov.au or by contacting Ralph Buckingham either by phone on (03) 5336 6776 or by email at ralph.buckingham@dse.vic.gov.au.
